

To Membership Applicant,

We are happy you are interested in applying for membership at Paradise Gardens. You have taken a first step into our nudist community and a lifestyle we cherish. To that end we are interested in achieving a win/win situation – one that is beneficial to both you and to our members.

The membership process is as follows:

1. Have completed 3 visits within the year, one of which needs to be on a weekend.
2. Notify the office that you wish to join. You will then be contacted by the membership committee to set up a meeting.
3. Meet with membership committee, complete paperwork and new member orientation.

As a member of PG, the expectation is that you will uphold our policies and values designed to enhance and protect our family nudist resort, all its members and guests. Our hope is after completing this membership process, you will enjoy your time with us for years to come.

Sincerely,

Kevin
Manager, Paradise Gardens
